

## 2017 Formula Vee Control Tyre.

The final approval of the Formula Vee Control Tyre has now been given from CAMS and the contract between Yokohama and FVAA will be signed this week.

The summary of the deal is as follows:

Contract Length: 3-year deal with option to extend after the first two years but only if both parties agree

Tyre: Yokohama AD08R Advan Neova Pattern

Price and Specifications:

Item Description	Fitment	Width mm	Diameter mm	Retail Price including GST	Formula Vee Price including GST
185/55R15 AD08R	Front	193	585	\$202.00	<b>\$182.00</b>
195/55R15 AD08R	Rear	198	593	\$212.00	<b>\$192.00</b>
<b>Set of 4 tyres</b>				<b>\$828.00</b>	<b>\$748.00</b>

Recommended Rims: 5.5 to 6.0 inch recommended, Yokohama believe that a 6.0 inch rim width will be optimal for this tyre on a Formula Vee.

Price includes: Fitting and balancing (either at the dealer's premises or at the track) plus disposal of your old control tyres

Track side support at Formula Vee events

10% discount on Yokohama tyre range for FVAA Members when purchased from the Yokohama Motorsport Dealer.

Sponsorship: \$1500 contribution to the Nationals each year as a Tier 2 sponsor (so each state can still find a major sponsor)

The winner of the Nationals in each class will receive a set of Control Tyres.

## 2017 Formula Vee Control Tyre.

**Required Signage:** Fit a Yokohama sticker approx. 450mm long on each side of your nosecone, stickers will be available in either black or white lettering and will be available from the Yokohama Motorsport Dealer.

**Introduction Date** 1600 Formula Vee, 1<sup>st</sup> January 2017

1200 Formula Vee, Optional to run current Hoosier or Yokohama during 2017 but Yokohama only at 2017 Nationals and from 1<sup>st</sup> January 2018.

**Where to Buy:** Control Tyres need to be purchased exclusively from your state Yokohama Motorsport Dealer either at their premises or at the track.

## 2017 Formula Vee Control Tyre.

Expected Delivery: As at 8<sup>th</sup> November the stocks of tyres were in ships at a Japanese port. Expected in Yokohama Motorsport Dealers in time for January 1<sup>st</sup> introduction date.

Changes for 2017: Ride Height 35mm minimum (was 40mm)

Weight 515kg 1600 and 500kg 1200 (regardless of which tyre you run) as the tyres are 12kg heavier per set than the current Hoosiers.

Maximum Width, Front 1625mm (was 1585) Rear 1635 (was 1610) as the tyres are wider than the current Hoosiers.
