

FVAA Engine Sealing Scrutineers Accreditation

1. List of sealers to be approved by BoM annually.
2. list of Sealers to be published on National Web Site.
3. Only Sealers who's names appear on list may seal on behalf of the FVAA.
4. Sealers are to be nominated to the BoM by the F Vee Assoc. of the State they are sealing in.
5. The States may nominate new sealers at anytime during the year.
6. All Sealers on the list must be approved by the BoM.
7. Any Sealer may at anytime have their name removed from the list by the BoM.
8. The NTD shall maintain the list of Sealers on the web.
9. It is the State Technical Director's (STD) responsibility to ensure any new Sealer is suitably trained and equipped.
10. New Sealers must attend at least 2 sealing sessions, (one as observer under the supervision of the trainer and one demonstrating their ability to seal).
11. At the discretion of the STD, a person may be passed as a sealer on the basis of 'prior knowledge'. e.g. a F Vee engine builder with at least 3 years experience.
12. No Sealer may seal the engine or transmission of any car of which he/she is the owner or likely to be the driver, or of which he/she is the most recent builder/rebuilder of the assembly being sealed.
13. Sealing shall be done on a rotation or alternation basis, with the proviso that the Technical Director may direct that the assembly in question is to be sealed by a specific Sealer.
14. No Sealer shall engage in collusion to seal an engine to provide a material advantage to a particular competitor.
